AFFIDAVIT CHECK REMINDERS - 2017

EXISTING PLAYER VERIFICATION FORM

If you have an approved form from a previous year **WITH ALL THE DOCUMENTATION** (i.e. three proofs of residency or school enrollment form from the year the form was signed), you can provide it and the documentation instead of completing a new Player Verification Form.

You do NOT need to provide any birth certificate in this case.

NEW PLAYER VERIFICATION FORM

Player name must match birth certificate name **FULLY**. Not just first and last name.

Top section (above TYPE OF AGE PROOF) must be fully filled out.

Only fill in **ONE** section of either Residency address or School Enrollment. Do **NOT** put an address in both sections.

Parent and league president must sign form.

You must present the original birth certificate during the check with District 3, but can then return it to the parents and do not need to keep a copy.

TOURNAMENT AFFIDAVIT FORM

Manager, President, and Player Agent must sign the affidavit.

Player name must match birth certificate name **FULLY**. Not just first and last name.

The address to be entered is the one from the Player Verification Form. If they used a School Enrollment Form, the address **must be the school's address** not the player's.

Birth date must be on the form and in the proper box (i.e. below the address).

Player's League Age must be on the form and in the proper box (i.e. to the right of Team Code).
